Follow-up steps

We request that you carry out these next steps accurately and precisely. Only with complete and correct delivery of the application form and the required attachments we can issue your eHerkenning tool quickly.

- Printing: Print the application form on A4 paper size. The PDF document is sent as an attachment to the authorized representative specified in the application.
- Sign: Let the authorized representative (s) sign the form. The signatures must be original and may not be replaced by a copy / scan. Please note that signature on the form is checked whether it matches the signature on the ID. You can add the signatures on one application form or on multiple forms with the same application number (in case this is easier to assemble). In that case please provide the forms together.
- Send: Send the request form by post to:
  Reconi
  Postbus 244
  1500 EE Zaandam
