Export Control Assurance

In accordance with applicable export control regulations, we provide the following assurances to WT Microelectronics Co., Ltd. and its subsidiaries ("WT"):

(1) We understand that products acquired from WT ("Products") are subject to the export control laws and regulations of the United States and other countries and agree to abide by applicable laws and regulations.

(2) Unless otherwise authorized by U.S. export control regulations or the U.S. government:

a. We will not use, or transfer any Products for use in the design, development of: i) nuclear weapons or explosive devices; ii) any rocket systems or unmanned air vehicle systems; iii) chemical or biological weapons; or iv) military and/or satellite/space application.

b. We will not transfer, or facilitate the transfer of:

i) any Products to any person, entity, organization or other party identified on a U.S. or other government-issued restricted party list, as revised from time to time;

ii) any Products to any U.S. government embargoed or sanctioned country or region identified in Section 746 of the EAR ;

iii) any Products designated as encryption items under 740.17(b)(2) of the U.S. Export Administration Regulations ("EAR") to government-end-users (as defined under Part 772 of the EAR) located or headquartered in a country not listed in Supplement No. 3 to EAR Part 740;

iv) any microprocessor products to any military end-user or end-use in a destination listed in Country Group D:1(see Supplement No.1 to part 740 of the EAR); or

v) any Products to any military-intelligence end user or for military-intelligence end uses, as defined in Section 744.22 of the EAR.

c. We will not export, reexport and transfer (in-country) any Products subject to the EAR listed in Supplement No. 2 to part 744 for a "military end use" or "military end user" in any country identified in Section 744.21 of the EAR without a license.

d. We will not use, or transfer any Products for use in "Supercomputer," "Advanced-node ICs," and Semiconductor manufacturing equipment end use control described in Section 744.23 of the EAR.

By signing below we acknowledge our understanding of the applicable compliance obligations and export restrictions. The signatory has full authority to sign this document on behalf of the below listed entity.

Company Name:鈺緯科技開發股份有限公司 DIVA Laboratories, Ltd.
