Dear Sirs

Re: **AUTHORITY TO CONDUCT COMPANY SEARCH**

We authorise the Leung Wai Law Firm to conduct a search of all of the records of our Company **Diva Holding Inc. (Co. No. 67561)** maintained and kept by you and the Registrar of International and Foreign Companies. Will you please ensure the company records are current and up to date for the purposes of the search.

Please provide copies of any records if requested by the Leung Wai Law Firm.

As it will be required to conduct updated searches over an extended period this authority will expire upon the Leung Wai Law Firm advising you in writing that they have completed their searches and any updated searches that may be required from time to time.

Please also forward your letter of authorisation to the Registrar of International and Foreign Companies to enable the Leung Wai Law Firm to conduct the search of the records of the Company kept by that office.

Thank you for your kind assistance.

Yours faithfully
