Supplier, Contractors, and or Sub-Contractors must notify Life Technologies Procurement 6 months prior to any change to a product, service, and or sub-contract. This term will allow Life Technologies sufficient time to validate if the change may affect the quality, form, fit, or function of a finished device, and or the purpose of its intended use. Supplier shall not change or alter any portion of product that is purchased
by Life Technologies with a controlled specification without express written notification to Life Technologies.
