Product discontinuation of SARCON XR-Pe series

I am regret to inform you that Fujipoly Japan has decided to discontinue sales of the SARCON XR-Pe series since we release new product SARCON PG65A series according to Fujipoly Product Strategy. Therefore, we would like you to announce it to your customers and to switch SARCON XR-Pe series to PG65A series in the meantime.

1. Subject Product:
   SARCON XR-Pe series

2. Alternative Product:
   SARCON PG65A series

   SARCON PG65A series is released in 2023 as new product which improved some properties of SARCON XR-Pe series.

3. Last order
   February 28, 2025

4. Last Delivery
   July 30, 2025

We appreciate your understanding and cooperation.

Yours sincerely

Mitsuhiro Fujimoto
